

Program of Educational and Entertainment Visit

Our team has prepared high-level interactive STEM/STEAM programs that offer visitors unique experiences.

Our exceptional hospitality and highly trained, scientific associates will share with you a unique experience about our Cyprus, our planet and space.

Our observatory will open a window to the Universe for you. With our specially equipped, professional telescopes, we will take you on a journey to the nearest star, the Sun.

JOURNEY TO THE SOLAR SYSTEM AND BEYOND
